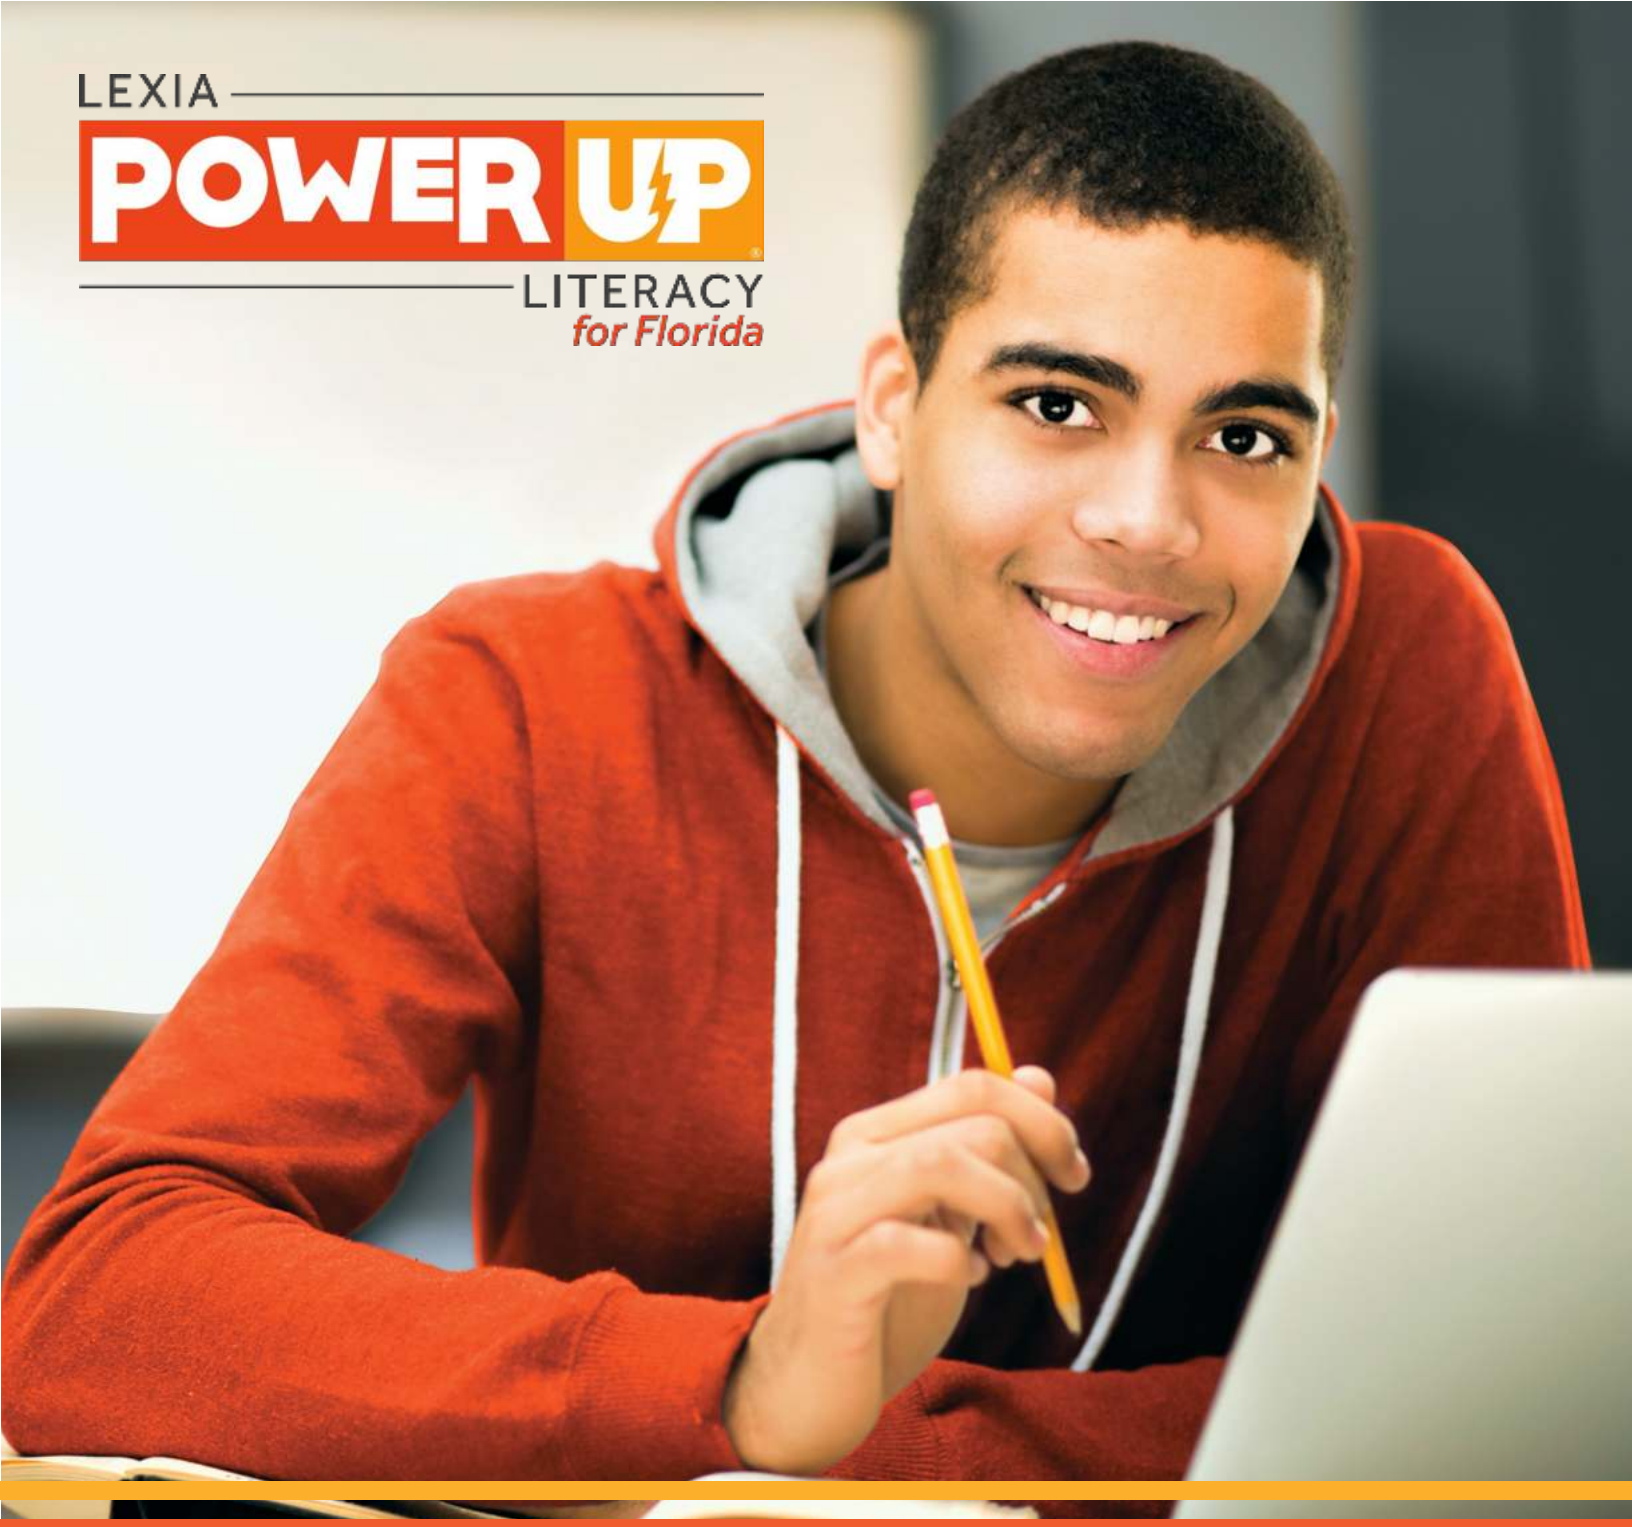
LEXIA

POWER UP LITERACY *for Florida*



SCOPE AND SEQUENCE

Lexia® PowerUp Literacy® is designed to accelerate literacy gains for struggling and non-proficient readers in grades 6 and above. The program addresses literacy skills aligned to college and career readiness standards for grades 6–8, while teaching the specific K–5 standards that are critical to building a foundation for grade-level proficiency. The program is broken up into three distinct strands that students work in concurrently: ***Word Study, Grammar,*** and ***Comprehension***.
