They apply this knowledge to achieve fluent oral and silent reading. <i>Concepts About Print</i> | <i>Legend: Lexia's software programs are organized into levels. Each level consists of multiple activities. Each activity consists of multiple units. Each unit consists of one or more screens. Students must proceed through the levels, activities, units, and screens in order; they cannot move up until they have demonstrated mastery of a prior skill. Through the ADMIN console built into the software, teachers may elect to start a student at some level/activity/unit other than the first ones. Reviewers may find this feature useful in examining higher levels/activities/units/screen without completing each screen. An accompanying Teacher's Guide (TG) provides additional content.</i> | | |
