

Dear Parent/Guardian,

The program our school is using to help students develop their reading skills has been updated! If you have previously installed the **Lexia Reading®** student software at home you will need to update that version. If you have not yet installed the *Lexia Reading* student software, please follow the directions for full download of the software.

Update (existing users):

1. Go to the *Lexia Reading* license page via an Internet browser. Click Agree.

<http://www.lexialearning.com/support/lexiareading/license.html>

2. Click on the link labeled “Update” and save to your computer.
3. Double-click on the file you saved and follow the on-screen prompts to update.

Full Download (new users):

1. Go to the *Lexia Reading* School-to-Home page via an Internet browser.

http://www.lexialearning.com/products/mylexia/faqs/school_to_home.html

2. Follow the simple steps on the School-to-Home Webpage to download, install and configure the software.
3. Information you will need:

School Customer ID _____ - _____ - _____ - _____.

Student login information:

Username: _____

Password: _____

Please Note: *Lexia Reading* is intended for independent use by the student with no assistance from parents or siblings. Please allow your son/daughter to work in the program at their pace without your guidance. We recommend that usage be kept to a reasonable level – not too short and not too long to maximize the benefit while maintaining student interest. Please try to ensure an average of 20-30 minutes per session.
