

Dear Parent/Guardian,

Our school has implemented the **LEXIA Reading™** software program. Lexia programs help students rapidly develop reading skills in an engaging and dynamic way. As an added benefit, Lexia is making this program available to students at home to extend their instructional time via its **School-to-Home Connection**. This extra time will help students achieve their reading goals at an even faster rate.

Getting started with **LEXIA Reading™ School-to-Home Connection** is easy!

- 1. Make sure your computer meets the system requirements below.

Windows	Mac
Windows 2000 (Service Pack 4 or highest available)	OS X version 10.2+
Windows XP (Service Pack 2 or highest available)	
Windows Vista	

256 MB RAM suggested 32 MB video acceleration
700 MB free hard drive space An active Internet connection

A compatible Internet browser (Internet Explorer v5.5+, Safari, or Firefox. Javascript must be enabled on all browsers.)

- 2. To download the software, go to www.lexialearning.com/mylexia and click on the yellow button labeled:

Student Software Downloads

Return to www.lexialearning.com/mylexia, and scroll down to the blue Getting Started section. The document “Getting Started School-to-Home Connection” contains installation instructions.

- 3. Information you will need:

School Customer ID ____-____-____-____ (include dashes).

Student login information:

Username: _____

Password: _____

Please Note: Lexia Reading v5 software is intended for independent practice by the student with no assistance from parents or siblings. Please allow your son/daughter to work in the program at their pace without your guidance. The software will monitor progress and only allow students to progress when they have mastered a skill.
