

LETRS Fits the Bill

Meeting the requirements of OH H.B.436

The Dyslexia Support Laws require all K–3 teachers, as well as K–12 intervention specialists to complete professional learning about identifying characteristics of dyslexia and understanding pedagogy for instructing students with dyslexia.

The LETRS® (Language Essentials for Teachers of Reading and Spelling) Suite is professional learning that meets the Ohio House Bill 436 requirements and provides educators and administrators with deep knowledge to be literacy and language experts in the science of reading.
