Proven Solutions to Accelerate Literacy and Language Learning

Based on the science of reading and designed to enhance teacher-led instruction, **Lexia[®] Core5[®] Reading**, **Lexia[®] PowerUp Literacy[®]**, and **Lexia English Language Development[™]** continue to change student outcomes for the better. The research-proven results speak for themselves.

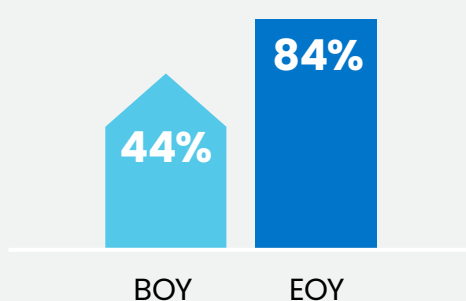

Grades Pre–K–5

As a result of Lexia Core5 Reading helping to identify and address students' foundational literacy skill gaps, we were able to triple the number of students working in or above grade level in Core5 within one year."

–**Dayna Shanahan**, Implementation Specialist
Vista Unified School District, California

Students working at or above grade level **increased** from **44% to 84%**

52% of students **reached grade-level benchmark** by end of year

Students working below grade level **decreased** from **56% to 16%**

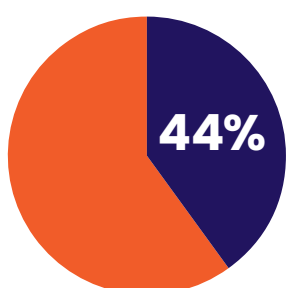

Grades 6–12

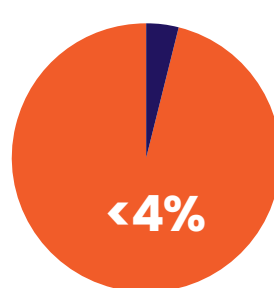

For each individual who uses Lexia PowerUp Literacy, they're able to pace through the program at what works for them. The self-administered pacing is the best way to meet individual needs."

–**Rebecca Burford**, Student Success Coordinator
Ukiah Unified School District, California

44% of students covered **three grade levels** of skills in one year

Less than 4% of students were working on foundational skills by end of year

Grades K–6

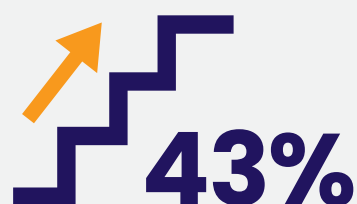

I've never seen a program that emphasizes speaking as much—the way that we speak and the way that we use language to respond. It really makes Lexia English Language Development different."

–**Yadhira Rojas**, Teacher on Special Assignment
Laguna Beach Unified School District, California

2 in 5 students **moved up** to the next standards proficiency band

43% of newcomers **moved up** a proficiency band
