## Empower Leaders. Transform Literacy.

### Build Literacy Leadership Across Your District

Equip your administrators, instructional coaches, and K-12 literacy leaders with professional learning to build the knowledge and skills to drive evidence-based reading instruction and meet PA 146 requirements across the district.

### Why Professional Learning Matters

- **State Compliance:** Lexia<sup>®</sup> LETRS<sup>®</sup> and Lexia Aspire<sup>®</sup> Professional Learning are Section 35m approved, helping districts meet Michigan's literacy professional development requirements.
- **Instructional Leadership:** Empower leaders to guide consistent, evidence-based literacy practices across all schools.
- **Teacher Capacity:** Support teachers with actionable coaching, data interpretation, and instructional strategies.
- **Impact Student Outcomes:** Research shows that strong literacy leadership correlates with measurable student growth on state assessments like M-STEP and NWEA MAP.

### Benefits for District Leaders

- **Align instruction with PA 146 and 147** requirements
- **Leverage 35m grant funding** for professional learning
- **Develop consistent literacy practices** across your district
- **Track leadership's impact** on student reading outcomes

### TEACHERS LOVE TO LEARN

“

I knew enough to know that while I was really good at teaching kids to read, there was something missing. LETRS took my journey to a whole new level.”

– Kelly Kujala, Program Director for Curriculum and Instruction

“

Lexia Aspire is the training that every secondary English teacher or special education English co-teacher needs to better understand foundational reading skills and navigate a tiered approach.”

– Renee Hesson, Supervisor of Instruction for Secondary English and Fine Arts
