

# Intervention and Acceleration

Science of Reading Solutions  
for Minnesota

## Flexible Implementation to Support the READ Act and MTSS Framework

By pairing high-quality instructional intervention and continuous Assessment Without Testing® data, Lexia® Core5® Reading allows students to learn and practice skills at their own targeted place and pace, provides educators with detailed insights into their students' skills, and links to specialized instructional resources. **Core5 can be implemented as intensive intervention or targeted instruction.**

**Accelerate literacy for Minnesota students reading below grade level. Core5:**

- Offers adaptive, individualized literacy learning for ALL students
- Is approved by the Minnesota Department of Education for reading intervention
- Is fully aligned with Minnesota ELA State Standards
- Generates growth on MCA Assessments
- Provides inclusive support for English Learners
- Connects literacy learning with SEL to facilitate growth
- Supplies real-time, actionable data
- Is research-based and proven

Core5 is proven to be over 2.5 times more effective than other elementary reading programs.
