

# Intervention and Acceleration

Science of Reading Solutions  
for Minnesota

## Flexible Implementation to Support the READ Act and MTSS Framework

By pairing high-quality instructional intervention and continuous Assessment Without Testing® data, Lexia® Core5® Reading and Lexia® PowerUp Literacy® allow students to learn and practice skills at their own targeted place and pace, provide educators with detailed insights into their students' skills, and link to specialized instructional resources. **Core5 and PowerUp can be implemented as intensive intervention or targeted instruction.**

**Accelerate literacy for Minnesota students reading below grade level. Core5 and PowerUp:**

- Offer adaptive, individualized literacy learning for ALL students
- Are approved by the Minnesota Department of Education for reading intervention
- Are fully aligned with Minnesota ELA State Standards
- Generate growth on MCA Assessments
- Provide inclusive support for English Learners
- Connect literacy learning with SEL to facilitate growth
- Supply real-time, actionable data
- Are research-based and proven

**Core5 is proven to be over 2.5 times more effective than other elementary reading programs.**
