

Life After LETRS: Maintaining Momentum

Where are you on the journey to lasting literacy transformation?

Envision

Create a literacy foundation.

- Identify curriculum and instructional gaps.
- Seek out educator insights and literacy champions.
- Find a solution rooted in the [science of reading](#), that meets the needs of students, teachers, and school leaders.

Invest

Enroll educators in gold-standard professional learning solutions.

- Offer science of reading-based professional learning to educators and administrators.
- [Lexia® LETRS® For Early Childhood Educators](#)
- [Lexia® LETRS® Professional Learning \(Pre-K–5\)](#)
- [Lexia® LETRS® for Administrators](#)
- Expand LETRS knowledge with additional cohorts and grades.

Implement

Support educators as they transform knowledge into practice.

- Provide educators with opportunities to enhance their classroom literacy instruction.
- Start off on the right foot with access to new research and resources found in [Lexia® LETRS® Connect™](#).
- Encourage a schoolwide and districtwide culture shift toward literacy and the science of reading.
- See students begin to make learning gains.

Reflect and Adapt

Build teacher capacity and confidence.

- Continue to share and celebrate best practices in PLCs.
- Invest in sustainable professional learning like LETRS Connect to maintain educator knowledge and skill.
- Use LETRS Connect to learn from expert-led sessions, practice journal reflection, use modeling videos, and other resources to enhance teaching.
- Continue promoting a culture of literacy.

Sustain Long-Term Literacy Success

Accelerate through application.

- Continue to invest in long-term professional learning with new sessions in LETRS Connect.
- Encourage educators to revisit previous LETRS course materials through LETRS Connect.
- Offer teachers ongoing mentoring and coaching opportunities and encourage collaboration.
- Share your successes with other administrators.
- Watch your educators' and students' confidence grow.

“How do you continue to support people after they’ve finished their LETRS cohort? ... We’re all still learning. How do we keep that support going? Well, we keep learning and we keep digging ... that’s my journey.”

— Christa Perry, Troup County School System
