Equip Educators With Tools That Sustain Professional Learning

With Lexia® LETRS® Connect™ and Lexia® LETRS® Coaching™, educators gain the tools to turn their science of reading knowledge into lasting classroom impact.

Classroom Resources
Ready-to-use materials translate Lexia® LETRS® knowledge into daily instruction.

Knowledge Reinforcement
On-demand science of reading sessions and continued access to previously completed LETRS course content allows reinforcement and review.

Modeling Lessons
Educators “see it in action” through modeled instruction and classroom examples.

Year-Round Support
Coaches meet with educators regularly and offer administrator check-ins for alignment.

Collaborative Implementation
LETRS Coaching supports implementing LETRS strategies that bridge theory and practice for measurable classroom impact.

Progress Monitoring
Check for Understanding assessments measure progress and refine instruction.

Feedback Cycles
Synchronous and asynchronous communication between the educator and coach offers actionable feedback.

Expert Access
Access to live virtual sessions with literacy experts promotes real-time learning and engagement.

Goal Setting and Guidance
Personalized coaching guides instructional growth aligned with district initiatives.

Reflection Journals
Writing encourages ongoing self-reflection and professional growth, reinforcing learning transfer.

Community Support
Lexia Community access supports ongoing engagement and peer learning.

Putting it all together
Using LETRS Connect resources during PLC time can foster collaboration and shared accountability.
