

Florida’s Literacy Mandate: 5 Steps for Compliance

Florida’s 2025 literacy requirements include a variety of updates, and school leaders must manage compliance with these guidelines while supporting student achievement. Five steps can help school and district leaders navigate these responsibilities.

Timeline of Milestones

The modified Just Read, Florida! guidelines call for action according to the following 2026 timeline:

Action Steps	Lexia Support
1. Align your literacy plan with DOE-approved science of reading materials.	☑ DOE-approved, research-validated literacy programs
2. Strengthen your Multi-Tiered System of Supports (MTSS) with clear Tier 2 and Tier 3 intervention protocols.	☑ MTSS-aligned intervention tools with real-time data
3. Monitor literacy data frequently , not just during FAST Assessment windows.	☑ Leadership dashboards for compliance documentation
4. Build capacity through DOE-aligned professional learning.	☑ Professional learning that matches DOE requirements
5. Maximize available literacy funding and document impacts.	☑ Measurable reading gains tied directly to funding impact
