404,370

Lexia Skill Builders® delivered

72

Average number of skills completed in one academic year

81

Average minutes per week working in PowerUp strands

GAINS IN PowerUp²

for students who used with fidelity during the 2022–2023 school year

53% of students covered 3+ grade levels of skills in a single school year

CLOSING THE GAP²

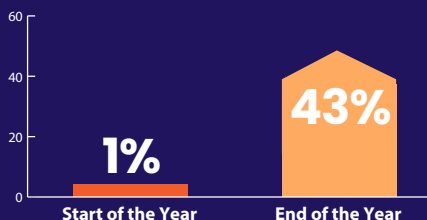

By the end of the year, the percentage of students working on K–2 skills

DROPPED BELOW 5% in all strands of content

The number of students working on Advanced Comprehension skills

INCREASED 5x across the school year

SIGNIFICANT GAINS in students working on advanced (6th–8th+ grade) skills across all content

**WHAT
EDUCATORS
ARE SAYING³**

88% say PowerUp is easy to use

77% say PowerUp helps them more efficiently provide targeted instruction

1. For more information, visit lexialearning.com/research.

2. Results for 43,525 6th–12th grade U.S. students who used Lexia PowerUp between 8/1/2022 and 5/28/2023. Students were considered to have used PowerUp with fidelity if they used the program for at least 20 weeks, met their weekly usage targets for 50% or more of those weeks, and started using before the end of 2022. Data compiled and analyzed by the Lexia Research Team.

3. From a survey of 1,147 PowerUp educators and administrators deployed monthly across the 2022–2023 school year by Lexia Research.
