

BOOSTS CHARTER SCHOOL SUCCESS

Lexia's flexible, personalized literacy instruction built on the science of reading is proven to help more learners read, write, and speak with confidence.

THE RESULTS ARE IN

Literacy Acceleration for Students in Grades Pre-K-5

Recovery From Interrupted Learning

47%

 of charter school students

who used **Lexia® Core5® Reading** reached their grade-level benchmark.

114,534 pre-K-5 students in more than **1,150** schools across all charter school customers used the online components of Core5 with fidelity or met their end-of-year benchmark.

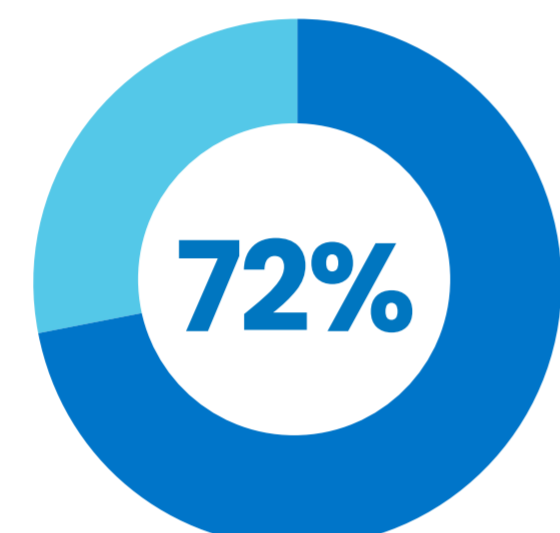

It's an investment that has produced significant gains in student literacy skills and teacher effectiveness.

Success With Core5 Is Consistent With Success on Standardized Tests

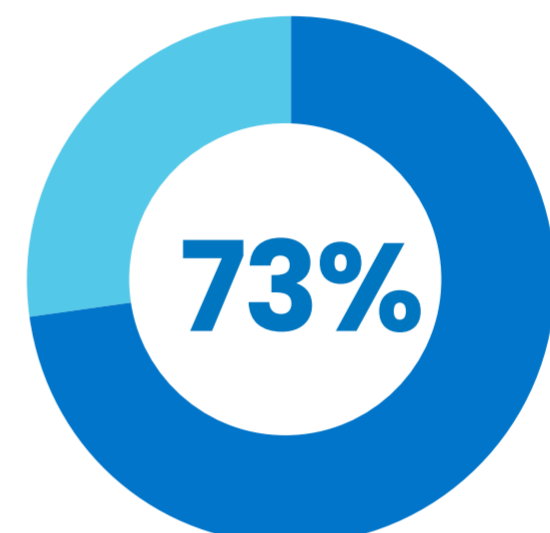

The majority of students at one large CMO who met benchmark in **Core5** by the end of the school year were also proficient on these tests:

of students met proficiency on **NWEA MAP** (n=3,569)

of students met proficiency on **DIBELS 8** (n=331)

of students met proficiency on **aimsweb+** (n=3,325)

More Students Working at or Above Grade Level

Working at or Above Grade Level

The percentage of students who were classified as working at or above grade level in **Core5** greatly increased from

39% to 82%

Core5 adapts to every child and provides much more individualized instruction than I possibly could.

Literacy Acceleration for Students in Grades 6-12

Higher Reading Proficiency

Working in Advanced Zone skills or completing a Zone in **Lexia® PowerUp Literacy®** is consistent with a higher reading proficiency rate on MAP.

Percentage of Students Proficient on NWEA MAP by End-of-Year PowerUp Zones (for Consistent-Use Students)

Impactful Support for the Students Who Need it Most

For middle-grade students in the bottom quartile on NWEA MAP, students at one large CMO grew across all literacy skill types by using **PowerUp** from the beginning to the end of the school year. Increases in the percentages of students working in advanced or intermediate skills:

Metrics are for charter school students using Core5 or PowerUp as recommended across the 2021-2022 and 2022-2023 school years.

Lexia's personalized literacy programs are research-proven to help students of all abilities accelerate learning and close gaps. Learn how Lexia can help your charter school students become successful readers and confident learners.
