

2022-2023 ACADEMIC SCHOOL YEAR RESULTS

Accelerating Literacy Gains for All Students: Lexia's Product Impact

Introduction

Year after year, Lexia® programs are proven to accelerate students' literacy and language learning.

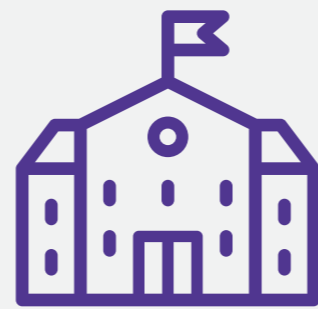

Based on the science of reading and designed to enhance teacher-led instruction, Lexia® Core5® Reading, Lexia® PowerUp Literacy®, and Lexia English Language Development™ continue to change student outcomes for the better. The research-proven results speak for themselves.

Highlights from Lexia's 2022-2023 Annual Reports

During the 2022-2023 school year, Lexia provided steady support to millions of students and hundreds of thousands of teachers.

4,657,644 students

33,698 schools

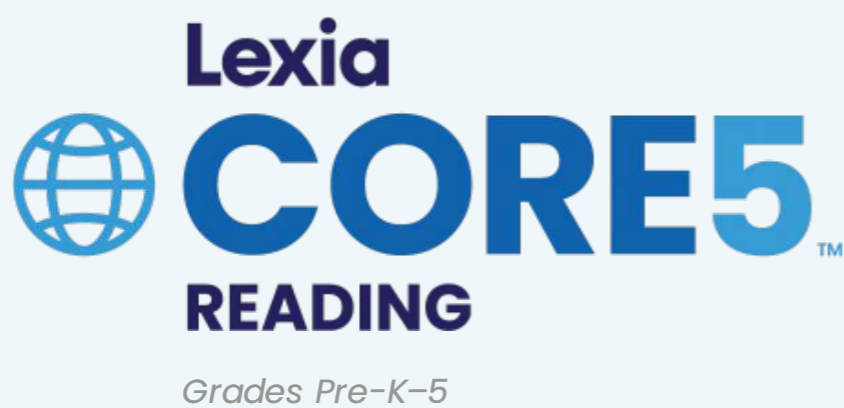

326,531 educators

Why Lexia

Lexia's products are evidence-based and designed from the best literacy and language research available, including the body of research known as the science of reading. These products are continually evaluated to ensure they have the greatest possible impact on student learning, particularly in real-world situations.

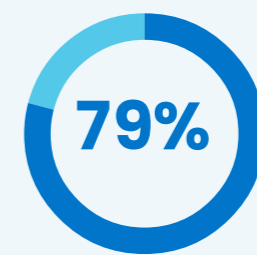

The data from these reports demonstrate the **positive student outcomes Lexia products are creating across the country.**

85%

85% of students are **now working at or above** their grade level*

Results for 1,321,626 pre-K-5 US students who used Core 5 with fidelity between 8/1/2022 and 5/28/2023.

79% of educators say student outcomes are **improving** due to Lexia Core5 Reading

"I love that **Core5** is grounded in the science of reading. I know if my students are on Lexia, they are learning and working on targeted skills."

-Educator quote submitted to the Lexia® Research "Voice of The User" survey

Lexia **POWERUP** LITERACY

Grades 6–12

53%

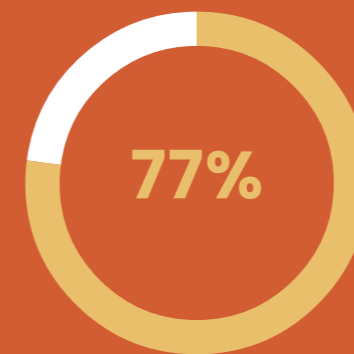

53% of students who used PowerUp with fidelity **covered 3+ grade levels of skills in a single school year**

“

"PowerUp is engaging! I love how it is a mix of serious, playful, and educational all at the same time."
