

## **Adaptive Blended Learning**

Meet Students and Teachers Where They Are

Lexia's personalized learning model ensures differentiated, adaptive instruction in support of Arizona students and teachers. By combining independent online learning and face-to-face instruction with our exclusive Assessment Without Testing<sup>®</sup> approach, we are creating a true **blended learning** environment.

- Our model blends teacher-led instruction with purposeful technology.
- Every student receives individualized, data-driven learning paths to optimize literacy growth.

Lexia's portfolio is grounded in the principles of the Science of Reading
