

When schools closed due to COVID, what kept student literacy learning on track? Lexia CORE5 and POWERUP from Lexia.*

What Worked

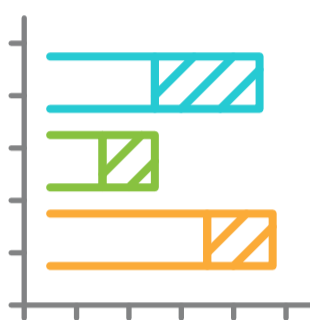

88% Said it was **EASY TO GET STARTED** with Lexia during school closures

80% Said it was **EASY TO TRANSITION** from using Lexia in school to remotely

82% Said their students **FIND LEXIA PROGRAMS ENGAGING**

Data = Insights

“ I like being able to monitor whether students are still actively using Lexia each week. Even if they aren't on video conferences, I can see whether they're still engaged, and that gives me peace of mind that they're safe and doing ok even if I can't see their faces.

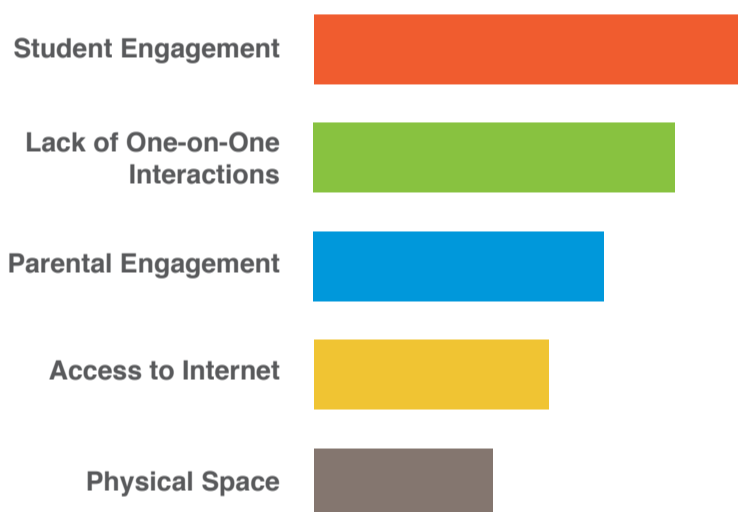

83% Said Lexia helps them **MONITOR STUDENT LEARNING** with Lexia during school closures

86% Said Lexia helps them more efficiently **SUPPORT STUDENT NEEDS AND LEARNING**

Students Were Engaged In and Out of School

Top 5 Educator Concerns for the Fall

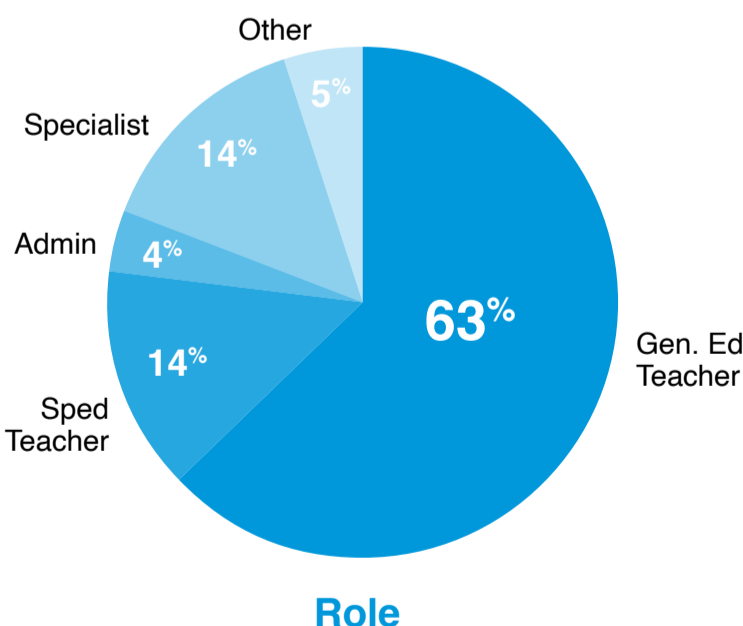

Lexia works so well because it truly motivates and engages students in learning while simultaneously providing teachers with real-time data to drive instruction.
